The administrative costs are covered by contributions from area utilities, such as Peoples. In addition, **Peoples matches your contribution dollar for dollar.**

PEOPLE HELPING PEOPLE

The **West Virginia Utility Assistance Program** is an initiative by **Dollar Energy Fund, Inc.** to provide comprehensive utility assistance to low-income West Virginia individuals, senior citizens and families. With support from the utility industry and community-based organizations across the State, the program began operating in October 2008. Since that time, thousands of West Virginia households have received utility assistance grants to prevent utility disconnects or to restore service.

Peoples customers in West Virginia have been strong supporters of this fund. Your contributions, combined with matching funds from Peoples, make it possible for many of our neighbors to receive assistance.

Thank you for your continued support.
